

Naturaceutical Skincare

Super-Activating Eye Concentrate

Targets Aging, Sagging and Puffiness

Combining skin beautifiers from botanical extracts, marine skincare treasures, hyaluronan and Bio-activating peptides, *Truebeauty Super-Activating Eye Concentrate* is specifically designed and formulated to target sagging and aging, reduce the appearance of wrinkles, enhance the smoothness and firmness of eye contour and maintain youthful skin.

Cosmetic research shows that the skincare functions of the key ingredients in *Truebeauty Super-Activating Eye Concentrate* include:

- Stimulating the formation of collagen I, IV as well as elastin
- Scavenging Free radicals (Anti-oxidant)
- Diminishing dark circles, puffiness and fine lines
- Long-lasting moisturization and firmness of skin
- Skin Rejuvenation
- Fighting sagging skin.
